

12oz Double Wall Cup

Please note

Any bands of colour running around the cup may not join correctly at the seam due to movement when the container is formed.

Please allow for 2mm of movement up and down.

Important notes

Customer supplied artwork will be modified to compensate for dot gain (spread of ink) on the press. However, due to limitations within this design, some of the finer reversed imagery may still fill in.

PLEASE REVIEW CAREFULLY
